My Brother Knights:

This is the first Newsletter to be issued by Prince of Peace Council, a council that has been in existence for only nine months. We hope that this is just the beginning of many things to come. Each month the Newsletter will go out, and in order to make it as informative as possible, each of us should contribute to it in our own way. If anyone should have news-worthy information, please jot it down and turn it over to any of the officers or to Tony Morelli, our Public Relations Chairman.

Every day of our lives we have certain obligations and responsibilities that must be performed, whether they be to our families, our jobs, or our extra-curricular activities. Today, more than ever, it is our responsibility and obligation, as members of the strong right arm of the Church, to become knowledgeable, as well as practical, Catholics. The best way to do this is to study the 16 Decrees of Vatican II. His Holiness, Paul VI, has more or less told us that the "emerging laity" should no longer be the "complacent laity".

Controversial subjects such as birth control, fast and abstinence, our Blessed Mother's role in the Church, the changes in the Liturgy, and many others are ever present. How would you hold up in a healthy discussion with a non-Catholic on these topics? Surely each of us stays abreast of changes and innovations that affect our jobs; what about our religion?

The second and fourth Fridays of each month are our meeting nights, and we'll be looking forward to seeing each of you at these meetings. Remember, it's YOUR Council.

Fraternally yours,

George M. Durkin
Grand Knight

Can the loss to our council softball team have anything to do with Hank's bar changing their name?

THE MEETINGS FOR SEPTEMBER ARE the 8th and 22d at 8:30 p.m. Let's start the new council year off with a good turnout.

WANTED

New members for our Council. Get some application forms from Gerry Snyder or Howie Montgomery Co-Chairmen of the Membership and Insurance Committee. Sign up a friend today.

GOOD NEWS.....

It looks like Brother Steve Flynn will not need an operation on his elbow. Physical therapy is showing good results so far. Incidentally, the Council voted at the last meeting to purchase insurance that will cover any member injured while participating in council sponsored activities. Let's hope we never need it.

SOFTBALL TEAM VICTORIOUS

The Prince of Peace Council made its debut in the English-town Manalapan softball league. Although handicapped by desertions, injuries, weather, management, and talent, the season was a success with a thrilling victory over Hank's Bar. Well, as the saying goes, "Wait till next year."
